

HELLBURGER

Ingredients:

5 oz beef patty
2 slices of edam cheese
2-3 slices of red onion
1 slice of tomato
fresh green salad
1 burger bun

Hellfire Pure Hell

Instructions:

Cook the patty to your preference – if you want it a bit red in the middle, that should take about 3 minutes on each side. Top the patty with the cheese, while still cooking for the last minute so it melts on top. Assemble your burger, drizzle some **Pure Hell** on top and enjoy immediately :)
